Kindergarten families, we will start the first three days of kindergarten on a staggered start schedule. Students with last names A-H will attend on August 19. Students with last names I-O will attend on August 20. Students with last names P-Z will attend on August 21. Then all kindergarten students will attend on August 22. The purpose of staggered entry in kindergarten is to give students a wonderful smooth transition to begin the elementary years!

We are thrilled to be a part of your child's education. We do not take this opportunity lightly. Thank you for partnering with us to help your child grow and succeed academically, socially, and emotionally this school year!

Sincerely,

Meggan Eckard, Principal
